

# Half-term *french club*

*Looking for something different  
during the school holidays?*

Come along to our special children's workshop, it is a fun way to learn a new language whilst having fun with painting, sketching, craft activities and new adventures.

Workshops are specially designed to help children learn new vocabulary related to the topic. Children will also listen to stories in French and will sing French songs.

The workshops are held every morning from 10am until 12 noon, having enrolled for the whole week. Children aged from 6 - 10 welcome.

Alliance Française

The Alliance Française is a non-profit making organisation, part of the world's largest French language teaching and cultural association and endorsed by the French government.

We are the official centre for French language & culture in Jersey.

## Years of experience...

The Alliance Française has many years experience working with children. Striking the balance between fun and serious, the extensive programs offer rigorous academic objectives while entertaining children with games, activities and what the Alliance is probably the most famous for... cultural immersion.

## French Exams

*THE DELF JUNIOR* is a specially adapted version of the *DELF* diplomas for young people aged from 12 to 17 years. It is also open to all young French citizens who reside in a non-francophone country and who are schooled in local institutions.

*THE DELF PRIM* is aimed at all children aged from 8 to 11 years who are beginners in French. It entitles them to be issued with a diploma which is identical to *DELF* and *DELF Junior*. These diplomas are internationally recognised and valid for life.

## After school lessons (Starting at 4pm)

### Reception / Year 1

This course is based on the French pre-school's curriculum. It will rely on projects focusing on events or themes such as animals, family, shapes and colors.

### Year 2 & 3

A fun introduction to everyday French themes (seasons, animals, family, shopping) through songs, stories, crafts and games.

### Year 3 & 4

Everyday French themes. Our programs provide hands on activities to create an en-joyable yet effective learning experience.

### Year 4 & 5

We aim at acquiring knowledge in writing and reading French as these are the 4 skills evaluated in the DELF Prim French exams.

### Year 5 & 6

During the class, time is divided into listening, reading, writing and speaking activities. This class is a good introduction to the DELF Prim exams.

## FLAM Programme

The *FLAM* programme (Français LAngue Maternelle) was set up by the French government a couple of years ago for families living abroad. L'École *FLAM* de Jersey has an exclusive partnership with the Alliance Française and its qualified teachers who teach the children.

The *FLAM* programme is designed to enable those children whose parents are residents in Jersey and who are being educated in local English-speaking schools. Classes for younger children (5 to 7 years old) focus mainly on spoken French, while classes for the older children (8 and above) allow them to practice both spoken and written French and to read in French.

## French Classes: Primary Teachers

These classes are dedicated to primary school teachers who may already be teaching or intend to teach in Primary school. The main focus would be on language learning with a strong emphasis on pronunciation.

During the workshop, we will also approach the Common European Framework of Reference for Languages and try to create activities according to it.

## Assistantship

Our qualified French teachers can visit you directly in your school to support teachers of French in Primary and Secondary schools.

## Nursery

Our tutors have the possibility to go to your nursery and provide your pupils to a French awareness.
