

Alliance Française
de Jersey

Year 5/6

March-April 2015

Tutor: Marion

As we did last year, the course will be based on the book Alex et Zoé 2. In class, time will be divided into listening, reading, writing and speaking activities.

During this session, we will use the unit 10 of our book.

Children will learn:

- to name the animals of the forest
- to describe them
- to say what they eat

Vocabulary:

Animals : le cerf, l'écureuil, le lapin, le renard, le serpent, le loup, l'ours, le serpent

Animal food : poules, graines, poisson, fruits, carottes, viande, souris

Project :

- ⇒ We will make a display of animal food chain
