

Teacher:

In this class we'll continue the program started last year to cover everyday French themes. We will listen to stories and songs in French, watch French cartoons, do playful activities in order to memorize the new vocabulary.

This session, our topic is "the body"

Vocabulary :

Le pied = foot	La main = hand
La jambe = leg	Le bras = arm
la tête = head	Le cou = neck
Le ventre = stomach	le dos = back

Communication : name the parts of the body and talk about your pain

- j'ai deux .../ j'ai un ...
- j'ai mal à la... / au .../aux...

Project :

We will make articulated puppets

Toward DELF (Diploma in French language):

The DELF Prim is a diploma aimed at children from 8 to 11 years old who are beginners in French. It is internationally recognised and valid for life. In order to acquire the needed skills for this diploma, we will save some time in each class to revisit previous topics in different context like family, animals, clothes, food, sports and activities, the face, ...
