Year 4/5

Mai - June 2015

Teacher:

In this class we'll continue the program to cover everyday French themes. We will listen to stories and songs in French, do playful activities in order to memorize new vocabulary. In addition to all these listening and speaking activities, we will also aim at acquiring knowledge in writing and reading French as they are the 4 skills evaluated in the DELF.

This session, our topic is "Holidays"

Vocabulary :

- destinations for holidays (la montagne, la mer, la champagne, ...)
- activities you do in holidays (marcher, faire du vélo, skier, nager, visiter, jouer, ...)
- all the things you put in your luggage (lunettes de soleil, maillot de bain, pull, short, ...)

Communication :

- talk about your holidays
- describe your daily activities in holidays
- prepare your luggage

Project :

We will write a post card

Toward DELF (Diploma in French language):

The DELF Prim is a diploma aimed at children from 8 to 11 years old who are beginners in French. It is internationally recognised and valid for life. In order to acquire the needed skills for this diploma, we will save some time in each class to revisit previous topics in different context like family, animals, clothes, food, sports and activities, the body parts, calendar, weather, transportations, city and shops, feelings and sensations, house, school, invitation, ...
